PROGRAM OBJECTIVE
The goal of the *Medical Clinics of North America* is to keep practicing physicians up to date with current clinical practice by providing timely articles reviewing the state of the art in patient care.

TARGET AUDIENCE
All practicing physicians and other healthcare professionals.

LEARNING OBJECTIVES
Upon completion of this activity, participants will be able to:
1. Review the emotional and psychological implications of early Alzheimer’s Disease (AD) diagnosis.
2. Discuss the application of CSF Biomarkers and cognitive approaches to early AD diagnosis.
3. Describe clinical trials in predementia stages of AD.

ACCREDITATION
The Elsevier Office of Continuing Medical Education (EOCME) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The EOCME designates this journal-based CME activity for a maximum of 9 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All other health care professionals completing continuing education credit for this activity will be issued a certificate of participation.

DISCLOSURE OF CONFLICTS OF INTEREST
The EOCME assesses conflict of interest with its instructors, faculty, planners, and other individuals who are in a position to control the content of CME activities. All relevant conflicts of interest that are identified are thoroughly vetted by EOCME for fair balance, scientific objectivity, and patient care recommendations. EOCME is committed to providing its learners with CME activities that promote improvements or quality in healthcare and not a specific proprietary business or a commercial interest.

The planning committee, staff, authors and editors listed below have identified no financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:
Pascal Antoine, PhD; Jessica Chew, BS; Francesco G. Garaci, PhD; Michel Grothe, PhD; Simone Lista, PhD; Jagan A. Pillai, MBBS, PhD; Lorena Rami, PhD; Philip Scheltens, MD, PhD; Stefan J. Teipel, Prof, Dr.; Nicola Toschi, PhD; Victor L. Villemange, MD; and Henrik Zetterberg, MD, PhD.

The planning committee, staff, authors and editors listed below have identified financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:
Kaj Blennow, MD, PhD is a consultant/advisor for Innogenetics, Roche, Lilly and Pfizer.
Jeffrey L. Cummings, MD is a consultant for General Electric and Lilly; has a research grant from Avid.
Bruno Dubois, MD has a research grant from Pfizer.
Harald Hampel, MD is a consultant/advisor for Jung-Diagnostics, GE Healthcare and Avid.
José L. Molinuevo, MD, PhD is a consultant/advisor for Pfizer, MSD, Merz, Novartis, Lundbeck, Roche, Bayer, Bristol-Myers Squibb, GE Health Care, Lilly and Innogenetics.

Christopher C. Rowe, MD is on Speakers Bureau, is a consultant/advisor, and has a research grant for GE Healthcare, has a research grant from Avid/Lily Pharmaceuticals, Astra Zeneca and Bayer.
Daniel Silverman, MD, PhD is co-inventor of NeuroQ, licensed by Univ. of CA to SynterMed.

UNAPPROVED/OFF-LABEL USE DISCLOSURE
The EOCME requires CME faculty to disclose to the participants:
1. When products or procedures being discussed are off-label, unlabelled, experimental, and/or investigational (not US Food and Drug Administration (FDA) approved); and
2. Any limitations on the information presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinions. Faculty may discuss information about
pharmaceutical agents that is outside of FDA-approved labelling. This information is intended solely for CME and is not intended to promote off-label use of these medications. If you have any questions, contact the medical affairs department of the manufacturer for the most recent prescribing information.

TO ENROLL
To enroll in the Medical Clinics of North America Continuing Medical Education program, call customer service at 1-800-654-2452 or sign up online at http://www.theclinics.com/home/cme. The CME program is available to subscribers for an additional annual fee of USD $267.

METHOD OF PARTICIPATION
In order to claim credit, participants must complete the following:
1. Complete enrolment as indicated above.
2. Read the activity.
3. Complete the CME Test and Evaluation. Participants must achieve a score of 70% on the test. All CME Tests and Evaluations must be completed online.

CME INQUIRIES/SPECIAL NEEDS
