Erratum

The article “Elbow Tendinopathy” by Michael E. Pitzer, Peter H. Seidenberg, and Dov A. Bader (Med Clin N Am 2014;98:833-849) was published with a credit given to the incorrect author. On page 835, the sentence should read: “This theory was supported by Riek et al. who discovered via computer analysis and magnetic resonance imaging that novice tennis players with improper backhand technique underwent eccentric contraction of very lengthened extensor muscles and suggested the microtrauma caused by this technique to be the cause for lateral epicondylitis.(14)” The citation at the end of the sentence was published correctly. The authors apologize for the error.
