PROGRAM OBJECTIVE
The goal of the Medical Clinics of North America is to keep practicing physicians up to date with current clinical practice by providing timely articles reviewing the state of the art in patient care.

TARGET AUDIENCE
All practicing physicians and other healthcare professionals.

LEARNING OBJECTIVES
Upon completion of this activity, participants will be able to:
1. Review common dermatologic conditions and procedures.
2. Discuss treatments for acute dermatologic conditions such as nail disease and blisters.
3. Recognize management strategies in long term conditions such as psoriasis and skin cancer.

ACCREDITATION
The Elsevier Office of Continuing Medical Education (EOCME) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The EOCME designates this enduring material for a maximum of 15 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All other healthcare professionals requesting continuing education credit for this enduring material will be issued a certificate of participation.

DISCLOSURE OF CONFLICTS OF INTEREST
The EOCME assesses conflict of interest with its instructors, faculty, planners, and other individuals who are in a position to control the content of CME activities. All relevant conflicts of interest that are identified are thoroughly vetted by EOCME for fair balance, scientific objectivity, and patient care recommendations. EOCME is committed to providing its learners with CME activities that promote improvements or quality in healthcare and not a specific proprietary business or a commercial interest.

The planning committee, staff, authors and editors listed below have identified no financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:

Lauren K. Biesbroeck, MD; Roy M. Colven, MD; Ramin Fathi, MD; Philip Fleckman, MD; Anjali Fortna; Sumul Ashok Gandhi, MD; Deepti Gupta, MD; Tarannum Jaleel, MD; Jolene R. Jewell, MD; Andrea Kalus, MD; Jeremy Kampp, MD; Young Kwak, MD; Jessica McCool; Sarah A. Myers, MD; Douglas S. Pauw, MD, MACP; Santha Priya; Naveed Sami, MD; Michi M. Shinhara, MD; Megan Suermann; Laura Swanson, MD; Alison Swety; Jay C. Vary Jr, MD, PhD; Shelley Yang, MD.

The planning committee, staff, authors and editors listed below have identified financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:

April Wang Armstrong, MD, MPH is a consultant/advisor for AbbVie Inc.; Janssen Global Services; Eli Lilly and Company; Amgen Inc.; Celgene Corporation; Merck & Co., Inc.; Novartis AG; and Pfizer Inc.; and has research support from AbbVie Inc.; Janssen Global Services; and Eli Lilly and Company.
Alexa B. Kimball, MD, MPH is a consultant/advisor for, with research support from, Amgen Inc.; AbbVie Inc.; Janssen Global Services; Novartis AG; Celgene Corporation; and Pfizer Inc., and is a consultant/advisor for Eli Lilly and Company.
Kathryn T. Shahwan, MD has research support from Janssen Global Services, LLC. John D. Whited, MD, MHS receives royalties/patents from Cambridge University Press.

UNAPPROVED/OFF-LABEL USE DISCLOSURE
The EOCME requires CME faculty to disclose to the participants:
1. When products or procedures being discussed are off-label, unlabelled, experimental, and/or investigational (not US Food and Drug Administration [FDA] approved); and
2. Any limitations on the information presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinions. Faculty may discuss information about pharmaceutical agents that is outside of FDA-approved labelling. This information is intended solely for CME and is not intended to promote off-label use of these medications. If you have any questions, contact the medical affairs department of the manufacturer for the most recent prescribing information.
TO ENROLL
To enroll in the Medical Clinics of North America Continuing Medical Education program, call customer service at 1-800-654-2452 or sign up online at http://www.theclinics.com/home/cme. The CME program is available to subscribers for an additional annual fee of USD $295.

METHOD OF PARTICIPATION
In order to claim credit, participants must complete the following:
1. Complete enrolment as indicated above.
2. Read the activity.
3. Complete the CME Test and Evaluation. Participants must achieve a score of 70% on the test. All CME Tests and Evaluations must be completed online.
