PROGRAM OBJECTIVE
The goal of the Medical Clinics of North America is to keep practicing physicians up to date with current clinical practice by providing timely articles reviewing the state of the art in patient care.

TARGET AUDIENCE
All practicing physicians and other healthcare professionals.

LEARNING OBJECTIVES
Upon completion of this activity, participants will be able to:
1. Review how patient family medical history can inform differential diagnosis, risk assessment, and preventive counselling.
2. Discuss genetic testing in the assessment of Parkinson Disease.
3. Recognize clinical features, diagnostic work-up, and management of Neurofibromatosis Type1.

ACCREDITATION
The Elsevier Office of Continuing Medical Education (EOCME) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
The EOCME designates this journal-based CME activity for a maximum of 9 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
All other healthcare professionals requesting continuing education credit for this enduring material will be issued a certificate of participation.

DISCLOSURE OF CONFLICTS OF INTEREST
The EOCME assesses conflict of interest with its instructors, faculty, planners, and other individuals who are in a position to control the content of CME activities. All relevant conflicts of interest that are identified are thoroughly vetted by EOCME for fair balance, scientific objectivity, and patient care recommendations. EOCME is committed to providing its learners with CME activities that promote improvements or quality in healthcare and not a specific proprietary business or a commercial interest.
The planning committee, staff, authors and editors listed below have identified no financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:
Bimal H. Ashar, MD, MBA, FACP; Robin L. Bennett, MS, CGC; Robert S. Brown Jr, MD, MPH; Curtis R. Coghlin II, MS, MBe, CGC; Erin Demo, MS, CGC; W. Andrew Faucett, MS, LGC; Madeline Graf, MS, LGCC; Patrick R. Heck, PhD; Katerina Heidhausen; Peter J. Hulick, MD, MMSc, FACMG; Nadim Ilbawi, MD; Alison Kemp; K. Ina Ly, MD; Gretchen MacCarrick, MS, CGC; Michelle N. Meyer, PhD, JD; Mitchel Pariani, MS, LGCC; Katelyn Payne, RN, CGC; Holly Peay, MS, PhD, CGC; Andrea L. Rideout, MS, CGGC, CGC; Emily A. Schonfeld, MD; Jayanthi Surendrakumar; Dyson T. Wake, PharmD; Brooke Walls, MD

UNAPPROVED/OFF-LABEL USE DISCLOSURE
The EOCME requires CME faculty to disclose to the participants;
1. When products or procedures being discussed are off-label, unlabelled, experimental, and/or investigational (not US Food and Drug Administration [FDA] approved); and
2. Any limitations on the information presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinions. Faculty may discuss information about pharmaceutical agents that is outside of FDA-approved labelling. This information is intended solely for CME and is not intended to promote off-label use of these medications. If you have any questions, contact the medical affairs department of the manufacturer for the most recent prescribing information.

TO ENROLL
To enroll in the Medical Clinics of North America Continuing Medical Education program, call customer service at 1-800-654-2452 or sign up online at http://www.theclinics.com/home/cme. The CME program is available to subscribers for an additional annual fee of USD $300.90.

METHOD OF PARTICIPATION
In order to claim credit, participants must complete the following:
1. Complete enrolment as indicated above.
2. Read the activity.
3. Complete the CME Test and Evaluation. Participants must achieve a score of 70% on the test. All CME Tests and Evaluations must be completed online.
