Erratum

In the article, “Can’t Miss Infections: Endocarditis, Cellulitis, Erysipelas, Necrotizing Fasciitis, Cholecystitis”, by Kim Tartaglia in a May 2022 issue of Medical Clinics, Figures 3-5 were assigned incorrect legends.

Figure 3 was incorrectly labeled on page 540 as "clubbing". This is a “Splinter hemorrhage”.

Present correct figure 3 and label here

Figure 4 was incorrectly labeled on page 540 as "Janeway lesions, Osler nodes" and is a “Schamroth sign, indicative of clubbing of the digits”.

Present correct figure 4 and label here

Lastly, Figure 5 was incorrectly labeled on page 541 "Petechiae" and are “Janeway lesions, Osler Nodes”.

Present correct figure 5 and label here
